Summary

Max is an engaging, stimulating communicator, poised and capable of projecting enthusiasm and warmth, and of motivating other people.

Has a strong sense of urgency, initiative and competitive drive to get things done, with emphasis on working with and through people in the process. Understands people well and uses that understanding effectively in influencing and persuading others to act.

Impatient for results and particularly impatient with details and routines, Max is a confident and venturesome “doer” and decision-maker who will delegate details and can also delegate responsibility and authority when necessary. Max is a self-starter who can also be skillful at training and developing others. Applies pressure for results, but in doing so, their style is more “selling” than “telling”.

At ease and self-assured with groups or in making new contacts, Max is gregarious and extraverted, has an invigorating impact on people, and is always “selling” in a general sense. Learns and reacts quickly and works at a faster-than-average pace. Able to adapt quickly to change and variety in the work, will become impatient and less effective if required to work primarily with repetitive routines and details.

In general terms, Max is an ambitious and driving person who is motivated by opportunity for advancement to levels of responsibility where they can use their skills as team builder, motivator and mover.
